Honorable John Sparkman, Chairman  
Committee on Foreign Relations  
United States Senate  
Washington, D. C. 20510

Dear Mr. Chairman:

This is in response to your letter of February 23, 1976 asking whether this Agency would have any objections to allowing someone access to the transcript of a hearing on March 13, 1958 before the former Subcommittee on Disarmament of the Committee on Foreign Relations.

In relation thereto, I would like to point out that most of the testimony in the transcript was given by [redacted]

[redacted] While our contribution to the transcript was minimal, we do have reservations as to the advisability of releasing the transcript. [redacted]

This Agency is not in a position to make a determination as to the entire transcript. Such a determination should be made by [redacted] and, after discussing the matter with Morella Hansen of the Committee staff, in order to expedite this matter we have forwarded your request to [redacted]

We will let you know as soon as possible the results of [redacted] review.

Sincerely,  
/s/ George Bush
